**Note:** These figures summarise external AS qualifications taken by boys at CHB. They are provided here in order to give a complete record of external exams taken. However, apart from that, they present no meaningful information! In some subjects (English Literature), no boys took an AS; all boys studying that subject in Y12 chose to take the two year A Level course without sitting an AS qualification. In some subjects, such as Economics, all boys who studied the subject in Y12 sat the AS qualification, irrespective of whether they were also studying for the full A Level. In some subjects, such as Physics, only (but not all) boys who were dropping the subject took an AS qualification in it.
