Premises and facilities

The school will make the main hall, classrooms or private meeting rooms available for discussions between the provider and students, as appropriate to the activity. The school will also make available AV and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the Head of Careers or a member of their team.

Providers are welcome to leave a copy of their prospectus or other relevant course literature with the school Careers Officer who will ensure they are displayed in the careers library which forms part of the main school library. The library is available to all students at lunch and break times.
