

A photograph of a two-story brick school building under a clear blue sky. A flagpole with a white flag featuring a crest stands in front of the building. To the right, a large tree with pink blossoms is visible. A red banner is overlaid on the top right, and a black banner is below it. A white box with the school's crest and name is in the bottom left.

*A caring and inclusive community
where everyone can do and be their best*

A little about KECHB

- We are a medium sized 11-18 school
 - 1021 in the school
including 335 in the Sixth Form
- Academically strong (2023 figures)
 - GCSE: 87.86% Grades 9-7, with 46.4% grade 9
 - A level: 82.56% Grades A*-B, with 25% A* grade.
- Dedicated, experienced staff who know how to get the best from academic, enthusiastic students

House Competitions

Throughout the year there will be many house competitions you'll have the chance to take part in.

From Chess to Music to Rugby, there is something for everyone.

6th Formers can also get House Points, which all contribute to the overall House Competition.

Sport

Everyone has the opportunity to take part in sport through Senior Games, house competitions, and representing the school:

- Rugby
- Football
- Swimming
- Basketball
- Cross country
- Hockey
- Cricket
- Athletics
- And so much more...

Sport

Being active has many benefits - Research shows that physical activity can also boost self-esteem, mood, sleep quality and energy, as well as reducing your risk, and a way of managing, stress and our mental health. This is in addition to the physical benefits you are already aware of.

Music and Drama

There are lots of opportunities to explore musical and dramatic interests.

- Music - Concerts, orchestras, bands, ensembles, choir
- In Drama there are plans for a Senior Production in conjunction with CHG, as well as a school musical in the Spring Term.

Societies and Clubs

There are lots of different Societies and Clubs. If there is something you would like to set up, come and talk to us!

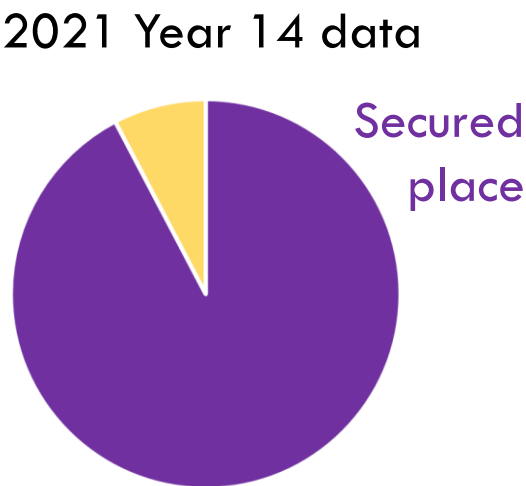

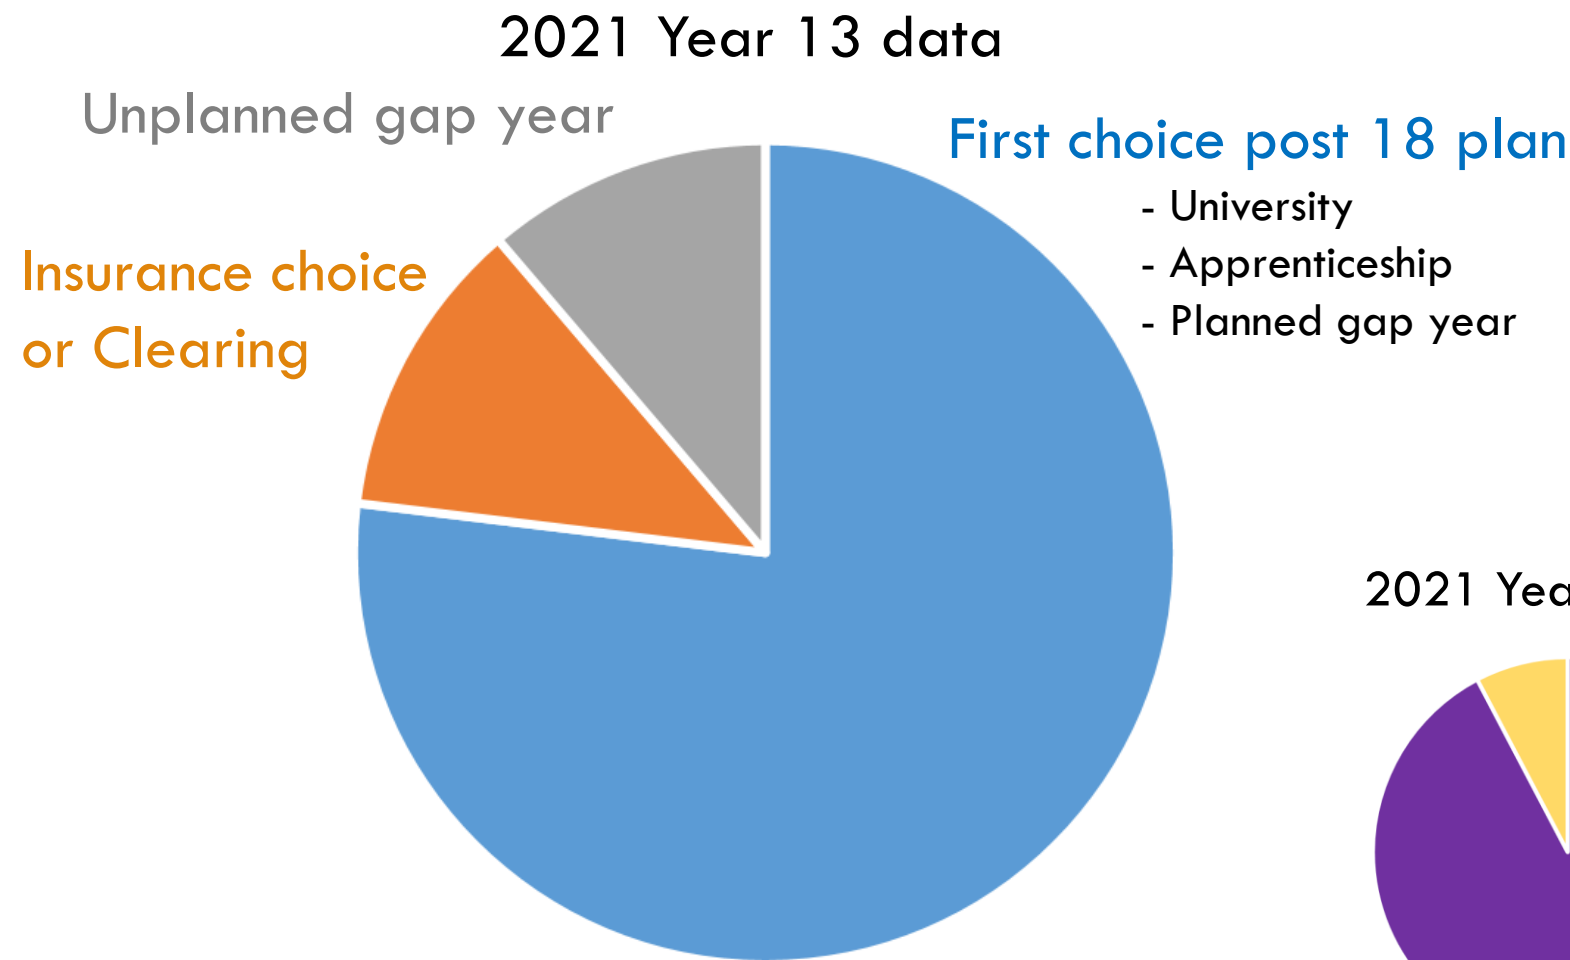

Exploring beyond...

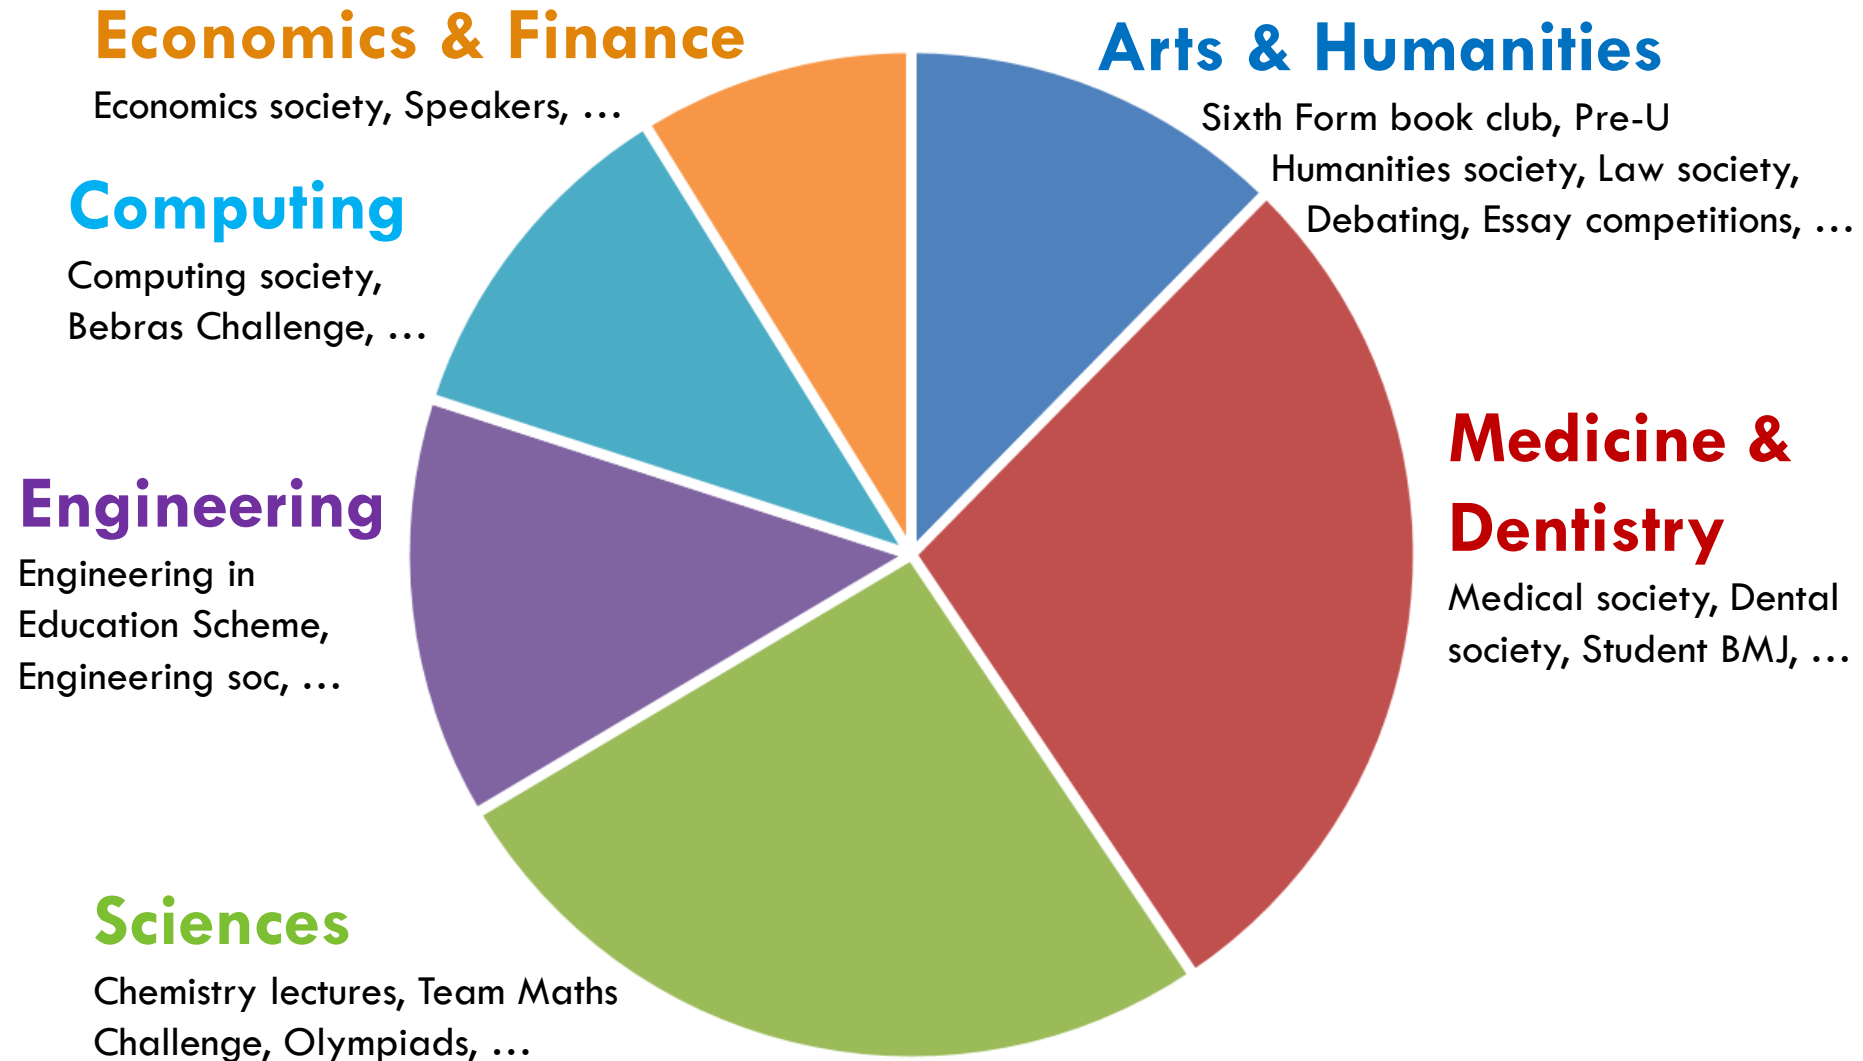

The school is full of experienced staff with expertise in many areas. Each department has a supercurricular booklet on the website you can access to learn how to extend your knowledge and understanding of topics and develop a sense of wider reading.

This is also covered in PSE, where a range of other areas such as Finance, Democracy and Life Skills will be explored.

Entry Requirements

To achieve entry into the Sixth Form in September 2024, prospective entrants (both existing pupil and external candidates) must achieve:

- at least 54 points in a student's best six GCSE subjects plus GCSE Mathematics and English Language ('Best 8), where a Grade 9 is 9 points, Grade 8 is 8 points, and so on.
- at least a grade 7 at GCSE in those subjects they wish to study at A level, although taking one subject at A level with a grade 6 may be considered, except for Mathematics, Biology, Chemistry and Physics, where at least a grade 7 is compulsory
 - at least a grade 7 at GCSE Mathematics for the study of Economics
 - at least a grade 8 at GCSE in Mathematics to study Further Maths
 - at least a grade 8 in Core and Additional Science or Dual Award, where this is studied, in order to pursue any science A level

Over subscription criteria

Priority will be given to:

- 'looked after or previously looked after children' who meet the admissions criteria
 - students who attract Pupil Premium who meet the admissions criteria (up to 25% of the external intake)
 - those with the highest predicted GCSE scores (overall and then within their chosen A level subjects).
-
- In the case of a tie then priority will be given to those living in closest proximity to the school.
 - For further information on admissions for September 2024, please consult our admissions policy

Choosing A Levels (at KECHB)

- Choose the subjects you love
 - You will enjoy them more, work harder and achieve higher grades
 - Reading beyond the subject will make you a better A Level student
- If you have a university / degree / apprenticeship in mind, make sure you research and choose appropriate A Levels

Applications to KECHB Sixth Form

- Applications will open on Thursday 16th November
 - Link to the application website will be on the school website (Home → Sixth Form → Admissions)
- Applications must be submitted before 9 am on 31st January
 - If you are unable to submit mock/predicted grades by this date, please contact us.

Applications continued

- Conditional offers will be made in April
- Students who do not receive an offer will be able to reapply on results day
- We expect to welcome **at least** 60 new students to Year 12 next year. Those students are not 'competing for places' with our current Year 11 students – we are committed to offering an additional 60 places.
