These funds were used to provide eligible students with:

- a grant to cover the cost of the school uniform;
- a grant to cover travel costs to and from school;
- subsidies to provide access to the full range of curricular trips and visits available.

These funds ensured, in this selective school where pupils travel longer than average distances to school, access to the school on a daily basis. They helped the pupils and their families to meet the school uniform requirements and ensured they could take part in the broad and balanced educational curriculum. Pupils claiming Pupil Premium funding were thus supported so that they had equal access to the opportunities available to pupils of the school.

The school will also allow Pupil Premium/16-19 Bursary Funding to support the purchase of:

- Sports Kit
- Curriculum equipment – e.g. aprons for DT/Science, calculator/stationery and paper
- ICT – laptop/printer and consumables, internet access (for sole use of pupil) owned/monitored by school
- Trips/visits – Curriculum, Rugby/Hockey/Football tours, Outdoor Pursuits
- Sixth Form – as above plus support attendance at University Open Days – (transport/meal costs) and re-sit examination cost

Further support funded, in part, by the Pupil Premium and available to all pupils as required includes:

- Counselling services
- Pastoral support from a full time Pastoral Support Co-ordinator

- SENDCO & Assistant SENDCO
- Salaries of Head of Year and Deputy Head (Pastoral) salaries who monitor and support pupil achievement (attainment and progress) of all pupils.

The academic attainment and progress (relative to baseline testing) of all pupils (including those on Free Schools Meals, Ever 6 Free School Meals, those with Special Educational Needs and those who receive language support) is monitored using the school's tracking system and annual examination performance evaluation system. Staff training is being delivered to improve staff awareness of closing the gap issues.

In 2024 at GCSE 26 were eligible for Pupil Premium funding. Their results were:
