KING EDWARD VI
CAMP HILL
SCHOOL FOR BOYS

Dear Prospective Sixth Former,

King Edward VI Camp Hill School for Boys welcomes your interest in joining our Sixth Form. As one of the city's King Edward VI Grammar schools we are pleased to accept a number of candidates from other local schools each year.

Why Camp Hill Boys?

Camp Hill Boys has a long held and justified reputation for academic and pastoral excellence within the city. In Summer 2026, **35% of all of our A level grades were at A*,** with 88% of all grades at A*-B. 15 of our students achieved Oxbridge places, and 35 of our students got their places in Medicine or Dentistry. However, we are incredibly proud of **all** of our students, not just those who achieve places on the most competitive of courses.

A level Options Evening

There is an A Level Options Evening on Thursday 5th November 2026, for any student (and their parent or carer) considering applying to join the Sixth Form in September 2027. More information will be on the school website closer to the time.

Entry requirements

To achieve entry into the Sixth Form in September 2027, prospective entrants (both existing pupils and external candidates) must achieve:

- at least 54 points in a student's best six GCSE subjects plus GCSE Mathematics and English Language ('Best 8'), where a Grade 9 is 9 points, Grade 8 is 8 points, and so on
- at least a grade 6 in English Language or English Literature, and a grade 6 in Mathematics
- at least a grade 7 at GCSE in those subjects they wish to study at A Level (or in a similar subject if that subject is not studied at GCSE, e.g., GCSE History for A level Politics)
- a grade 9 at GCSE in Mathematics to study Further Mathematics

King Edward VI Camp Hill School for Boys is part of the King Edward VI Academy Trust Birmingham, a charitable company limited by guarantee. Company No. 10654935. Registered Office: Foundation Office, Edgbaston Park Road, Birmingham B15 2UD. Registered in England and Wales.

SCHOOL FOR BOYS

A level subjects

Students select three or four A level subjects to study. In order to be allowed to study four A levels, students must achieve 64 points in their Best 8 score. Mathematics and Further Mathematics, whilst two A levels, is treated as one A level subject. Therefore, when studying Further Mathematics, a student must sit four A levels.

Art
